**Coming Soon -- In the Public Interest**

The story of how Dorset Police behaved when Mr Gerry Coulter's £50,000 Jeep was stolen by the brother of a serving Dorset Police officer.

How Dorset Police "ducked and dived" and used every trick in the book to avoid responsibility when Mr Coulter's Jeep was "stolen" a 2nd time in very suspicious circumstances.

And lots of things that Dorset Police don't want you to know.
